Teacher Spotlight:

My name is Tyler Welch and I am the new 6th - 7th grade bible teacher at Cornerstone Christian Academy! I am so

excited to teach these middle school students the Truth of God's Word.

I am currently the Youth Pastor at Granbury Baptist Church where I have

served the last 2 years. My wife, Kelci Welch, is a proud graduate of

Cornerstone Christian Academy and is currently a kindergarten teacher at

Acton Elementary. We have a son named Lincoln who is 7 years old. Teaching at Cornerstone

is an answered prayer. God has put a calling on my life to this generation of students and time and time again I

am reminded of the goodness of God through countless opportunities that He has provided me.
