

Cornerstone Christian Academy is pleased to announce Kelly Luckie as our new Director of K-12 (Principal) for our 2023/2024 school year. Be sure to congratulate Mrs. Luckie when you see her around campus. Please read her brief bio: My name is Kelly Elizabeth Luckie, and I teach 2nd and 3rd grade English Language Arts and 3rd grade Bible here at CCA. My husband, Scott, and I have lived in Granbury since early 2009 after his USMC transfer. Our son, Connor, is a fifth-grade student here at CCA. Teaching is my second career and my passion! I have taught in both public and private schools over a span of almost ten years. In 2015, I received the Yellow Rose of Texas Award from Governor Abbott for dedication to community youth. I have worked with my students in and outside the classroom and served as "Coach" and commissioner in youth sports. I received my Bachelor of Science degree from the University of Mount Olive in North Carolina and my Master's in Educational Administration from Lamar University. I have recently completed my Principal certification. I am also a veteran of the United States Air Force. We are so blessed to be a part of Cornerstone Christian Academy, and I look forward to partnering with each of you in the capacity of CCA's Director of K-12.

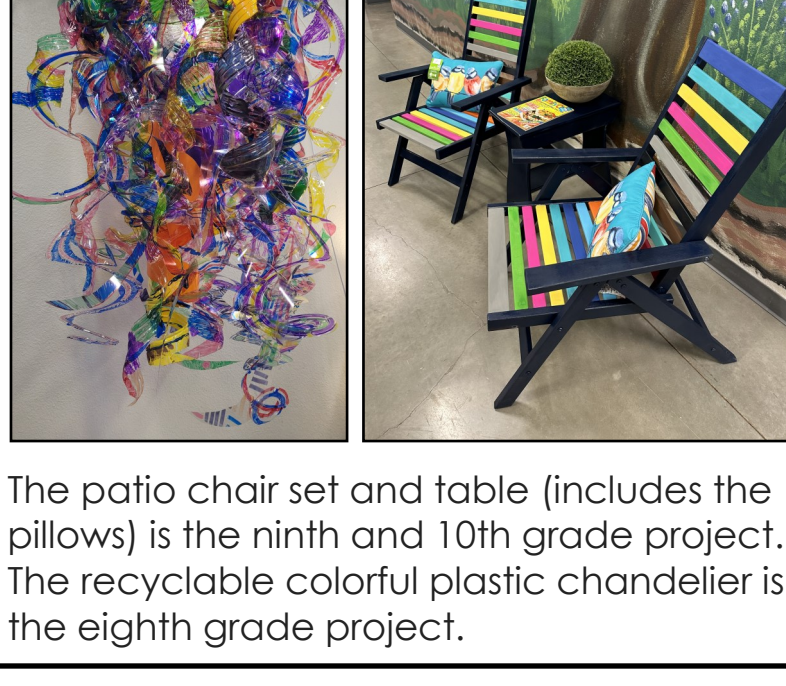

## Art Showcase Silent Auction Items:

Students have been working hard for weeks creating class projects to auction off at this year's art showcase. These will be available for purchase via silent auction in the café Thursday evening April 20 from 6 to 8 PM. Please help us to raise money for the art program next year. We are planning on creating a ceramics program for all grade levels, complete with a kiln! All proceeds will go towards it!

### Elementary Projects:

### Secondary Projects:

The patio chair set and table (includes the pillows) is the ninth and 10th grade project. The recyclable colorful plastic chandelier is the eighth grade project.

### Living Museum

Thursday,  
April 20  
6:00pm to  
7:00pm

## Meet Lt Nichols!

As part of our safety upgrades to CCA, we are working with retired Lieutenant Nichols to help us increase safety on our campus. Mr. Nichols is married to our art teacher, Aimee Nichols, and is very excited to join our Crusader Family.

Say hello to Lt. Nichols at drop off or pick up!

## RAPTOR TECHNOLOGIES

THE GOLD STANDARD IN SCHOOL SAFETY

**W**e are completing the final steps for the new Raptor system. \*Visitors to the school will now be asked for their government issued ID upon entering the building. (Raptor is an integrated school safety software that enables schools to screen visitors, track volunteers, report on drills, respond to emergencies, and reunite families.)

The Robotics Class will be collecting aluminum cans for recycling. Please bring all your cans to us!!
