

Summer Reading 2023 Kinder - 3rd Grade

Dear Parents,

Can you believe that summer is already here? Those long and lazy afternoons are a great time to encourage your child to discover the love of reading. Studies show that most students experience a loss of reading skills over the summer, but children who continue to read actually gain skills. To encourage the habit of reading over the break, the library has preparing a list of books that your child can read this summer. Your local library is a wonderful and free resource!

We feel that our students should read for the benefit of reading, but we want to add an extra incentive. Each student who reads the required number of books and turns in a completed, signed Summer Reading Form to the CCA Crusader Library by August 25 will receive a small gift.

Summer reading is for fun and to encourage the love of reading - it is not required!

Happy Summer!

Your Crusader "We love books" Team
